## FDL140 LED BEACON LAMP - MAGNET

## **Features**

- . Homologated according to ECE R10 and ECE R65
- · Compact, esthetic and elegant design
- · Power LED Technology
- · Thermal conductive polymer body
- · High efficiency reflector design · Lens and body are fixed with snap fit system
- · Thermal shock resistant
- Operating voltage 9 60V DC
- Energy consumption 22,5W ± %10
- Weight: ~730g (~1,60lb)
- Dimensions: Ø140 x 107mm (Ø5,51 x 4,21inch)
- 100% Tested before delivery
